Ivan Ivanov

Birth Date: 03.10.1986
Nationality: Bulgarian
City: Sofia
Phone number: 0877 77 88 99
E-mail: ivan.g.ivanov@gmail.com
Personal blog: http://ivanivanov.wordpress.com
GitHub developer profile: https://github.com/ivan86/

Software Technologies and Tools

- ✓ Programming with C# and .NET Framework (3.0, 3.5, 4.0)
- ✓ Web front-end technologies: HTML5, CSS3, JavaScript, jQuery, AJAX
- ✓ Databases: MS SQL Server, SQL, ADO.NET, ADO.NET Entity Framework
- ✓ Web development with ASP.NET and ASP.NET MVC
- ✓ Desktop applications with Windows Forms, XAML and WPF
- ✓ Game development: Microsoft XNA Framework 4.0
- ✓ Tools: Visual Studio (2008, 2010, 2012), Expression Blend 4, SQL Server Management Studio
- ✓ Building wired/wireless networks
- ✓ Configuring network adapters and routers

Projects

Game 1-2-3

Description: The game "Game 1-2-3" is a board game. Two players put 1, 2 or 3 blocks on the board at each turn and the game ends when the board has no more empty cells. The winner is the player who has filled more boxes.

Technologies: **C#, .NET 4.0, XAML, WPF**

Development Tools: **Microsoft Expression Blend 4, MS Visual Studio 2010**

Traff0

Description: This application helps to build power adapters. Based on input parameters defined by the user the application calculates the necessary output power parameters. The output data are used to build the power adapter.

Technologies: **C#**, **.NET Framework 3.0**, **3.5**

Development Tools: **Microsoft Visual Studio 2008 Express**

Falling Rocks

Description: This is a game played by a single player on the text console. The goal is to stay alive while rocks fall from the sky.

Technologies: **C#, .NET Framework 4.0**

Development Environment: **Microsoft Visual Studio 2010 Ultimate**

Pizza "Viki"

Description: This project represents fast food shop. The customers can order pizzas, burgers and many other foods by the phone.

Technologies: **C#, .NET Framework 4.0, MVC 4, HTML 5, CSS, jQuery**

Development Environment: **Microsoft Visual Studio 2010 Ultimate**

Work Experience

01.04.2011 – 21.10.2011:

> Job position: **Cable and LAN Technician**
> Job description: Connecting the customers to company network, configuring network adapters and routers.
> Company: "Multimedia" – Sofia, Bulgaria - http://www.multimedia-bg.net

07.05.2007 – 01.07.2007:

> Job position: **LAN Technician**
> Job description: Connecting the customers to company network, configuring network adapters and routers.
> Company: "Kit LTD" (Bol.bg) – Sofia, Bulgaria

Informal Education

03.11.2011 – 18.07.2012:

> Course: **Telerik Software Academy**
>
> Organization: **Telerik Corp.**
>
> Topics covered: C# programming, data structures, algorithms design and analysis, object-oriented-programming (OOP), HTML5, CSS3, JavaScript, jQuery, AJAX, CMS systems, WordPress, high-quality code, databases, SQL Server, SQL, E/R diagrams, ORM Frameworks, ADO.NET Entity Framework (EF), LINQ, Windows Communication Foundation (WCF), REST services, JSON, ASP.NET MVC, ASP.NET Web Forms, XAML, WPF
>
> Trainers: Svetlin Nakov, Doncho Minkov, Nikolay Kostov, George Georgiev

10.02.2010 – 01.06.2010:

> Course: **High-Quality Programming Code**
>
> Topics covered: High-quality code principles, naming principles, cohesion and coupling, high-quality methods, code formatting, self-documenting code, exception handling, unit testing, test-driven development (TDD), code refactoring
>
> Organization: **Telerik Corp.**
>
> Trainers: Svetlin Nakov, Vesko Kolev, Tsviatko Konov, Mihail Stoynov

02.10.2006 – 10.10.2006:

> Course: **C++ Programming Fundamentals**
>
> Topics covered: C++ language, functions, pointers, aliases, loops, variables, arrays, strings
>
> Organization: **NASD** (National Academy for Software Development)

Formal Education

01.10.2008 – till now:

> Technical University – Sofia, Bulgaria
> Major: **Computer Networks and Communications**

15.09.2001 - 30.06.2005:

> Professional High School "Aleko Konstantinov" – Bankia, Bulgaria
> Major: **Chef-Waiter**

Languages

- ✓ **English:**
  - ▪ Reading - Pre-intermediate
  - ▪ Writing - Intermediate
  - ▪ Speaking - Elementary
  - ▪ Listening - Pre-intermediate

Personal Skills

- ✓ Team work
- ✓ Creative
- ✓ Excellent communication skills
- ✓ Ability to meet deadlines
